

THE VR BOYS

WE NOW LIVE ONLINE

#shifthappens

## How can you best attract new customers?

- Sales & Marketing activities are moving online faster than ever
- How can you make the best first impression?
- How can you get a competitive advantage?
- How can you showcase your business to the world?

## What's the point?

- Builds trust
- It's more engaging
- Native support on Youtube, Facebook Google My Business and Streetview
- Retain visitors on your website for longer
- Boost rankings on search, Google Maps and Google My Business listings
- Let the prospective customers view your facilities from anywhere in the world

## How are we different?

- No ongoing costs
- We give you the content to reuse
- White Label so it's fully consistent with your brand
- Quality and Cost
- Fully responsive for mobile, desktop and VR headset
- Keep generating new business for years to come

## What are we looking for?

- Partners
- Help with scaling
- New Connections
