PROSEED

We're all messy We're all struggling

"...We are all flying high in some ways
& falling flat on our faces in others.
Nobody has it all figured out.
It's our job to cheer each other on,
lift each other up, & push each other
to keep giving it our best.

Who we surround ourselves with matters.

We need to be better to each other.
We're all we have..."

Amy Weatherly

Benign Business In a Safe Space

Proseed are a community of entrepreneurs eager to partner and practice altruism in a safe space with like-minded individuals.

We help* each other
any way we can.

It's the natural thing to do...❤️

(*) You can start by taking pictures of our amazing speakers, so we can share with everyone later :)

Speaklah

The logo for 'Speaklah' features the word in a stylized font. The 'S' is a large, thick, pink letter with a decorative swirl at its base. The 'p' is also thick and pink, with a long horizontal line extending from its stem across the width of the word. The 'e', 'a', and 'k' are thick pink letters. The 'l' and 'a' are thin black outlines, and the 'h' is a thin black outline. A pink tongue-like shape is at the end of the horizontal line.

Offices in Miami, FL, USA, and Thong Lor, Bangkok, TH

BUSINESS SUMMARY

Since 2008 and recently due to the global pandemic, access to conventional financing (bank loans & mortgages) has become increasingly difficult. Using proprietary financial technology, **GoCapital matches borrowers to a variety of alternative business and real estate financing options. Loans range from \$10K to \$50MM, and are offered in all 50 states, Canada, Puerto Rico, and Europe.** Approvals average 24 hours, with much less documentation required than with a bank loan.
